

Photography Tour Kerala

Introduction

his exciting 10-day itinerary is designed for the photographer in the serene state of Kerala in southern India. Indeed this area enjoys an equable climate and is anything but relaxed when you think about just how exotic it is. Beginning in the historic city of Cochin, overlooking the Arabian Sea, you will depart for lush plantations, protected parks and hill towns in the Western Ghats. Plus, you can take photos in the area's sparkling backwater canals. In conclusion, there will be a visit to the beaches and fishing villages before returning home. Kerala enjoys an equable climate, along with a shoreline with serene beaches and tranquil stretches of emerald backwaters.
